## Steps for Spiritual Healing Certification

Spiritual Healing is a gift from the Creator. TNSA believes that every individual possesses this gift and ability. To aid in the development of spiritual healing skills, TNSA has defined definite steps and procedures that must be followed by anyone who wishes to become a TNSA Spiritual Healer.

- 1.) The applicant must be a TNSA member or TNSA Charter Church in good standing.
- 2.) The applicant will be serving as a “student healer” until all requirements are fulfilled. The student healer must serve under the TNSA President, TNSA Chartered Church Pastor, or Spiritual Healing Director. Student healers must not practice their TNSA spiritual healing outside of their church, unless they have permission to do so. This requirement is due to the liability involved with a student healer practicing outside of TNSA and church sponsored activities.
- 3.) A TNSA Board approved educational course or workshop must be completed. Currently, the TNSA Spiritual Healing Workshop and the Morris Pratt Spiritual Healing Course are accepted. Applicants with other spiritual healing course credentials and/or certifications may seek board approval in fulfilling this requirement.
- 4.) Applicants must procure three (3) approved spiritual healing affidavits attesting to the specific condition treated by the applicant and stating the results of their treatment. These affidavits shall refer to an actual ailment which has demonstrated benefit as a result of the spiritual healing.  
\*\*\*Applicants who are certified as Reiki healers, or another healing modality approved by the TNSA Board of Directors, are exempt from this requirement.
- 5.) All applicants, regardless of previous credentials and backgrounds, must view the videos “How to do Spiritual Healing” and “How not to do Spiritual Healing”. Each applicant must attest by signature that they have viewed

these videos and when practicing under TNSA spiritual healing credentials, they will only practice “laying on of hands” positions to the patients’ head and shoulders.

- 6.) As per Article III, Sec. 4 of TNSA’s By-laws: “An application for Medium Certificate must furnish three written recommendations relative to character and ability from responsible persons of a religious organization, or organizations, the supplicant has served.
- 7.) After all steps have been completed, the applicant must submit the following to the TNSA Board of Directors, church board of directors, or church membership meeting.
  - a.) Completed application form.
  - b.) The first year’s annual fee.
  - c.) Copy of the Spiritual Healing Course certificate of completion.
  - d.) Copy of Reiki healing certificates or other approved healing modalities, if applicable.
  - e.) Three (3) complete and approved healing affidavits, if applicable.
  - f.) Three (3) written recommendations relative to character and ability.
- 8.) Once approved by the appropriate board or committee, the applicant will receive a completed Certified Spiritual Healer card. To renew the card, the appropriate annual fee must be submitted.
- 9.) Applicants from TNSA chartered Spiritualist Churches and Missions will have copies of their materials and approved applications submitted to the TNSA recording Secretary.
